

BURKE WOMEN'S FUND (BWF) 2024 GRANT CYCLE

BWF grants are made to tax-exempt, 501(c)(3) organizations that impact Burke County women and their families. All grants are submitted through the Community Foundation of Burke County's online grant management system.

STEP 1: Review Funding Guidelines - Please read the guidelines before applying.

Burke Women's Fund Grants may be used only for charitable, humanitarian, or educational purposes. Burke Women's Fund will only accept applications with a minimum program or project size of \$5,000. Grant requests must fall strictly within the guidelines listed below.

BWF Funding Priorities include programs and services that:

- Support the needs and enrich the lives of women and families
- Target a diverse population of women and families
- Address the basic needs of underserved women and families

BWF encourages proposals that:

- demonstrate collaboration and cooperation, fostering partnership or fellowship between individuals or groups of different backgrounds/experiences
- enhance or improve organizations which serve clients whose needs are not being met by existing services
- emphasize prevention and early intervention

BWF is inclined to give favorable consideration to proposals that:

- are pilot programs that can clearly be used as a model for others
- have reasonable prospects for future support
- foster partnership or fellowship between individuals or groups of different backgrounds/experiences

BWF will **not** fund the following:

- programs outside of Burke County unless directly benefiting Burke County
- school specific projects – unless it is a pilot for a larger strategy and there is a plan included for implementation at other schools
- annual fund campaigns or capital campaigns
- programs fostering specific religious or political beliefs
- individuals (including scholarships)
- organizations which have not been determined to be tax exempt as described in Section 509(a)(1) and 170B (1)(a) of the Internal Revenue Code
- endowment augmentation
- fund raising events and performances
- Marketing or other recruitment activities

STEP 5: Final Grant Decisions

Grant Application: Grant Applications will be reviewed by the Grants Committee of BWF for compliance. Grants will be awarded **in June 2024**.

STEP 6: Online System Tips – Please read the following list of tips that will assist you in completing your online applications:

- The **character counter** includes spaces as well as characters.
- A user will be **automatically logged out** of the online system after 90 minutes of inactivity. The user will receive a warning message at 80 minutes of the pending time out. Working on a form without saving does not count as activity.
- **You may choose to prepare a response in a document outside of the online system** (e.g., Microsoft Word) and then copy and paste the text as plain text only into the online form. If you prepare your application in this way, be sure to keep track of character limits. As noted above, character limits include spaces and characters. We recommend that you do not use formatting tools, as available in Microsoft Word, because the formatting will likely not transfer to the response area when pasted into the online system.
- **It is advisable to download copies of all submitted forms to your computer.**
- If you do not provide an answer for one of the **required questions**, you will not be able to submit your application.
- **If your PDF upload file exceeds the maximum file size**, consider using the Adobe Acrobat option to “Reduce File Size”.
- Remember that clicking on **“Save”** will allow you to continue to edit your form. Click on **“Submit Form”** when you are completely finished.
- **Once your application has been submitted, it is no longer available for editing.** If you need to make a correction to a submitted form, contact our office at 828-437-7105.
