

CFBC FEATURES LOCAL ARTIST

In conjunction with the Burke Arts Council and the Rock School Art Galleries, CFBC is featuring works of art by local artists in the lobby of the Financial Center building, located at 205 North King Street.

Currently on display is a magnificent art glass piece created by David Van Noppen, a native of Morganton and now a resident of Altadena, California. This piece of art is on loan from the Burke Arts Council and is part of it's permanent collection. It will remain on display for six weeks.

The public is welcomed to come and view this extraordinary piece of work.
